[HTTPS://ANGELSAFETYCONSULTANTS.COM](https://angelsafetyconsultants.com)

# Welcome To Our Company

We are thrilled to announce the birth of a new company dedicated to safeguarding lives and property through cutting-edge safety products and top-notch fire-fighting services. Allow us to introduce "ANGEL SAFETY CONSULTANTS," where our commitment to safety is more than just a tagline - "PARTNER WITH TRUST & FAITH".

# Our Vision & Mission

## Vision

Our goal is to enhance and protect the safety and well-being of our community.

## Mission

We aim to save lives, protect property, and strengthen community relationships through professionalism, courage, and dedication.

# SUPPLY ALL TYPES OF PPE'S & LADDERS

# SUPPLY ALL TYPES OF SAFETY EQUIPMENT'S

# Our Values

## 01 INTEGRITY :

We are honest, trustworthy, and accountable. Honor directs our activities.

## 02 PROFESSIONAL :

Professionalism encompasses competence, knowledge, resourcefulness, quality, attitude, and collaboration in providing services to the community and across organizational levels. Our expertise enables us to effectively communicate with each other and the public. Professionalism is both doing the correct thing and being pleasant.

## 03 RESPECT :

valuing one another and recognising the intrinsic uniqueness and dignity of all persons.

## 04 ACCOUNTABLE :

Accountability is essential for making sound decisions, whether they are monetary, procedural, ethical, or moral. This applies to individuals, organizations, and people.

## 05 TEAMWORK :

We individually contribute unique abilities and expertise, but we know that we are stronger together. We rely on each other to fulfill our goals, both as an organization and individuals. Synergistic relationships are crucial. This involves communication both vertically (up and down) and laterally.

## 06 DEDICATION :

Firefighters are dedicated not just to their jobs, but also to their team and the citizens they serve. This devotion drives them to become the best professionals possible.

# FIRE EXTINGUISHERS

What is the biggest threat your home or office faces? The answer is fire. Every year, fire kills thousands of people. It burns down homes and offices, causing enormous loss of property and assets. And your home could be next. When it strikes, will you be able to save your family in time? And if you do, can you protect your valuables? This is why fire safety is the need of the hour. Introducing a range of advanced fire extinguishers from India's leading fire safety company- PRI SAFETY. Pri Safety extinguishers are made using powerful extinguishing agents that give you and your family a guarantee of protection and security in any fire situation.

### 03 Years Warranty

We have sufficient confidence in our products to back them with a 3 year warranty. This means that if any extinguisher becomes defective due to faulty materials of workmanship within 3 years from the date supply, we will repair or replace it free of charge. This guarantee does not cover defects caused by accident, misuse, neglect or unsuitable environmental conditions and excludes spares.
